Freelancer Web Developer

CK ODONTOLOGIA, RIO DE JANEIRO, 04/2023 - 05/2023

- Website created for the Ck Odontologia clinic with the aim of prospecting new clients more efficiently and establishing itself in the market as a large-scale competitor.
- Created with: React.js & TailwindCSS.

ADDITIONAL INFORMATION

I am 21 years old and an extremely fast learner. I studied programming concepts in order to enter college already having the necessary knowledge for the job market, so I am able to work as a programmer even though I am in my first year at college.
